Testimonials

"EMT provides an outstanding service to students at every stage of their education. Having personally experienced the progress my daughter made last year with EMT, I would highly recommend their services. EMT spent time finding out exactly where my daughter had gaps in her learning and then catered to her individual needs within their sessions. The approach undertaken by EMT was extremely positive and encouraging. I would encourage any family looking for extra support for their children to use EMT. "

Principal, Jo Kaurilands School

"I got help from EMT in year 12 & 13 . I really struggled with maths, so it was a big help to come up to Auckland in the school holidays because I couldn't find anywhere in Christchurch to help me. I ended up passing year 12 with quite a few Merits which I was quite surprised with and I passed all my year 13 papers which I was very happy with because I didn't think it was going to happen. Thank you EMT. "

Fleur, University Student

"Before I came to Maths tutoring with EMT, I wasn't that good at Maths. Now I have passed my Gold Maths medal! They also made maths fun! Thank you EMT. "

Ashleigh, Year 6, Konini School

"Before EMT my Maths was pretty bad and soon I was able to use the knowledge gained from EMT to pass my New Zealand Navy Entrance Exams. After EMT my confidence in maths significantly increased. I would like to thank both Suri & EMT for all their help, patience and knowledge. Without EMT, this would not be possible. "

Expert Maths Tuition®

Shaping Brilliant Mind

Confidence + Enthusiasm + Skills = Brilliant Mind

Why Choose Us

- We cater to students from year 1 to year 13 and also to those sitting entrance tests for the police + other defence forces and many other adult level entrance tests.
- We offer NCEA, IGCSE and Cambridge Maths tutoring.
- Personalised, One on One Tailored Sessions or Group Sessions.
- We offer a 100% money back guarantee.
- We have been established for over 12 years.
- We have seen over 2000 students come through our doors.
- 70% of our customers are through word of mouth.
- We have branches across Auckland, and are also spreading nationally.
- Our tutoring sessions can also come to you.
- We are passionate about what we do, and are eager to help shape every individual's future.
- We bring out the fun in Maths.
- Customised learning programmes.
- Progress assessment plan and reporting.

Our Sessions

Assessment Session

A student's current Maths ability is assessed during the first session. This enables areas of difficulty to be identified. Parents are invited to observe the assessment session. You will receive the results at the end of the session. **We offer 100% money back guarantee of progress in this session**.

One on One

This session offers intensive One on One Maths tuition. EMT focuses on student's weakness to increase their understanding and boost their confidence into Mathematics. It is a personalised tutoring session where you have the full attention of the tutor all to yourself. These sessions are more expensive, but you will have the session to cater for only your maths tutoring needs and questions.

Group Sessions

A group session is a cost effective way to improve a student's mark. They involve small groups, 4 or less students that meet for an hour session once a week. The sessions closely follow the school syllabus, as set out by the maths education department. In our experience, we have found that 4 students is the perfect number, as it still allows each and every person within the group to get personal attention. Group sessions are effective for students who find they work better with others, or who enjoy the friendly but competitive dynamic of a group.

Shared Session

Have a friend that you would like to share a maths tutoring session with? Perfect. Then this session is for you. These sessions are very popular and have proven to be very effective for many of our students.

Primary Maths Tutors Year 1-6

Intermediate Year 7-8

Secondary Maths Tutors

- Maths Years 9-13
- Maths NCEA Level 1
- Maths NCEA Level 2
- Maths NCEA Level 3
